

Coffee tables

Carde

design: Maja Ganszyniec Studio

The Carde coffee tables are a perfect embodiment of modernity, elegance, and practicality, harmoniously integrating every detail. They fit seamlessly into both commercial and intimate spaces, creating a unique atmosphere where work and relaxation take on a new dimension.

FUNCTIONAL FEATURES:

- Asymmetrical, stable form – a unique design inspired by the interplay of planes, combining visual lightness with a solid structure.
- Functionality and aesthetics – a dicree shelf and the ability to arrange tables in various material and color combinations.

TABLETOP, SHELF AND LEGS:

- matt and velvet lacquered MDF, natural veneer 12 mm thickness - full colors according to the Balma pattern book
- all elements are available in the same finish and color

FRAME:

- powder coated metal, matt black RAL9005
- plastic feet, black
