

Tables

Cascara

design: Maja Ganszyniec Studio

The Cascara table collection combines elegant, timeless design with practical solutions, perfectly meeting the needs of modern spaces. It works wonderfully in sophisticated hotel lobbies, cozy restaurants, and coworking spaces where comfort blends with stylish decor. Inspired by the husk surrounding a coffee bean, the distinctive leg, made of three curved planes, introduces a sense of lightness and an organic touch to interiors.

FUNCTIONAL FEATURES:

- design inspired by nature
- 3 table heights allow for flexible arrangements of meeting places
- possibility of equipping the tables with a media port and discreet cable routing inside the legs

TOP:

- melamine board, MDF matt and velvet lacquer, natural veneer, nano-laminate on plywood 18 mm - full colors according to the Balma pattern

FRAME:

- powder coated metal - full colors according to the Balma pattern
- plastic feet, black
